**DETAILED ACTION**

***Response to Amendment***

1. The amendment filed on 10/28/05 has been entered and made of record. Claims 1-6, 21-38 are pending. Claims have been renumbered 1-24.

***Allowable Subject Matter***

2. Claims 1-24 are allowed.
3. The following is an examiner's statement of reasons for allowance: Claims 1-24 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior art which teaches an image-processing device comprising: a first reading module which reads a first signal in a main scanning direction of an image of a document, a second reading module which reads a second signal in the main scanning direction of an image of a document, a scanning module including a carriage which relatively moves the first and second reading modules...to make the first and second modules scan the image of the document in its sub-scanning direction, a scanning-control-condition selecting module in accordance with a plurality of read magnifications preset as read magnifications by the first and second reading modules to the document, a first setting module which sets the scanning control conditions selected by the scanning-control-condition selecting module to a plurality of control conditions in accordance with the read magnification of the first reading module, a second setting module, and an operating module which, at least when set to a read magnification other

than said plurality of read magnification preset, performs an operation process to compute image data having a corresponding read magnification other than said plurality of read magnifications preset to the sub-scanning direction in accordance with the first and second signals read by the first and second reading modules at any one of said plurality of read magnifications preset, wherein, the operating process by the operating module, respectively, as set forth in claims 1,5-7,10-12,14,17-19,21-24.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
